

Product	Sinopec JUSTAR J700F Plus 0W-30 Engine Oil
Summary	Product description Sinopec JUSTAR J700F Plus 0W-30 Engine Oil formulated with highly refined base oils and premium additive system, providing good protection for vehicles with DPF and TWC in high performance car and light van diesel and gasoline engines. The oil is used to meet ACEA C2 0W-30 specifications.

Available sizes

1L/4L/5L

PAIL – 18L

DRUM – 200L

IBC – 1000L

Also
available
in bulk

Applications

Sinopec JUSTAR J700F Plus 0W-30 Engine Oil is suitable for use in:

- Gasoline engines requiring oils of ACEA C2
- Using for catalyst compatible oil in vehicles with DPF and TWC in high performance car and light van diesel and gasoline engines.

Features and benefits

- Fully synthetic base oil, extending the life of vehicles with DPF and TWC. using as catalytic compatible oil in vehicle, providing protection for engine
- Balanced start-up performance in low temperature and lubricating properties in high temperature
- Excellent anti-wear performance, reducing wear effectively to extend engine life
- Lower viscosity to ensure better fuel economy

Product Data Sheet

Typical data

Sinopec JUSTAR J700F Plus 0W-30 Engine Oil	
SAE grade	0W-30
Kinematic Viscosity@ 100°C, cSt, ASTM D445	9.692
CCS (-35°C), mPa · s	6140
MRV (-40°C), mPa · s	45300
TBN (mg KOH/g)	7.62

These data are given as an indication of typical values and not as exact specifications.

Industry and OEM Specifications

Sinopec JUSTAR J700F Plus 0W-30 Engine Oil meets the performance requirements of the following industry specifications:	
ACEA Service Classification	Gasoline: C2

Accuracy of information

Data provided in this PDS is typical and subject to change as a result of continuing product research and development. The information given was correct at the time of printing. The typical values given are subject to variations in the testing procedures and the manufacturing process may also result in slight variations. Sinopec guarantees that its lubricants meet any industry and OEM specifications referred to on this data sheet.

Sinopec cannot be held responsible for any deterioration in the product due to incorrect storage or handling. Information on best practice is available from your local distributor.

Product and environmental safety

This product should not cause any health problems when used in the applications suggested and when the guidance provided in the Material Safety Data Sheet (MSDS) is followed. Please consult the MSDS for more detailed advice on handling; MSDSs are available from your local distributor. Do not use the product in applications other than those suggested.

As with all products, please take care to avoid environmental contamination when disposing of this product. Used oil should be sent for reclamation/recycling or, if not possible, must be disposed of according to relevant government/authority regulations.

The SINOPEC trademark is registered and protected.
